

# GROWTH YOU CAN SEE.

## RESULTS ELEMENTARY TEACHERS BELIEVE IN.

GRADES K-5  
STUDENT OUTCOMES

*These results come from 129 K-5 teachers across public, charter, and private schools, where 80% used the curriculum 3-5 times per week in sessions typically ranging from 15-45 minutes.*

### STUDENTS MEETING GRADE-LEVEL WRITING STANDARDS

**Before** Top Score Writing,

**5%**

were below grade level.

**After** Top Score Writing,

**77%**

were at grade level.

Of that 77%,

**13%**

were **above** grade level, up from near zero before.

### GROWTH THAT SPEAKS FOR ITSELF

"Two years ago, our 5th graders scored the 3rd highest writing scores in the state! Last year, we were within the top 10. With this curriculum, they are engaged and willing to write."

### WHAT CHANGED IN STUDENT WRITING?

Teachers selected all improvements they observed. Results across 130 K-5 classrooms:

STRONGER ORGANIZATION

HIGHER CONFIDENCE

BETTER SENTENCE STRUCTURE

MORE DETAILED WRITING

INCREASED WRITING STAMINA

GREATER ENGAGEMENT

IMPROVED GRAMMAR

### EFFECTIVENESS RATING

**95%**

of teachers rated students as more engaged with writing after implementing Top Score.

**91%**

of K-5 teachers rated TSW effective or very effective at improving student writing.

### WHEN STUDENTS ASK TO WRITE, YOU KNOW SOMETHING WORKED

"My students would cheer every time I announced that it was writing time! They all became confident writers. Parents even commented on the improvement they saw in their children when it came to the excitement of writing!"
