

HOW PRIVATE SCHOOLS BUILD STRONG WRITERS

Help your students become confident writers with structured, research-grounded instruction built for private schools.

WRITING SUCCESS STARTS HERE

Built for
private
school
success

- ★ **Daily Lessons for Grades K-12** – Explicit, step-by-step, teacher friendly instruction
- ★ **Student Activities & Assessments** – Ready to use, no prep required
- ★ **Pacing Guides** – Flexible, vertically aligned planning that intentionally builds writing skills from one grade to the next
- ★ **Typing Platform** – Website that allows students to practice keyboarding and composition skills
- ★ **Lexile-Leveled Passages** – Thematic text sets that support meaningful text-based writing practice
- ★ **Practice Writing** – Extensive instruction and practice in argumentative, expository, and narrative writing

TOOLS THAT EMPOWER TEACHERS

- ★ **Skill Checks & Skill Trackers**
Quickly identify mastery of specific writing skills
- ★ **Progress Monitoring**
Support data-driven instructional decisions
- ★ **Stamina-Building Games**
Help students write longer, stronger, and with confidence

WHY PRIVATE SCHOOLS CHOOSE US

Teachers surveyed saw students become more engaged in writing.

100% Engagement

Reported moderate to exceptional growth after implementation.

89% Student Growth

Teachers felt confident teaching writing afterward.

100% Teacher Confidence

IN THEIR OWN WORDS

“My students are now confident writers! I have never had students exhibit such high writing skills before implementing this curriculum.”
— Katz Hillel Day School

“The curriculum vastly improved my ability to teach writing quickly and effectively.”
— St. Lawrence Catholic School

“The students became more engaged and willing to elaborate more in their sentences and provide better details to support the topic.”
— Redeemer Lutheran School
